Moving On

F5 201

- F5 BIG-IP Certified Administrator (F5-CA)
- Much difficult
- Not limited to Load Balancing but entire BIG-IP as a platform
- F5 201 Exam Preparation in Udemy

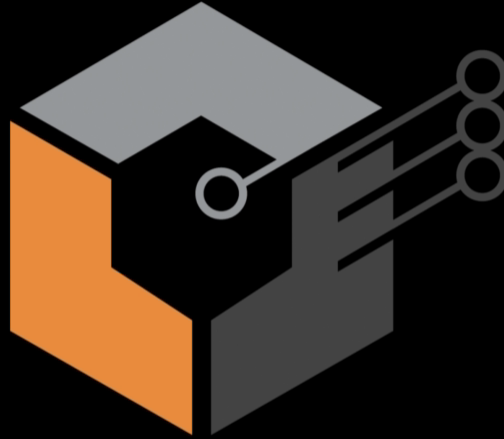

Instructor Message

Congratulations!

- Thank you for enrolling this course and I hope you had fun!
- I really appreciate if you give me a 5 star rating. Anything below 5 is a failing mark.
- I hope we will see each other next time
- Feel free to check out my other courses in Udemy
