# What We'll Cover

**Demo: Reconnaissance**

**Demo: Looking for vulnerabilities**

**Attacks**

# Demo: Reconnaissance

---

# Demo

Shodan

Angry IP Scanner

Couple of websites

Suphacap

# HackRF One

---

# Demo: Looking For Vulnerabilities

---

# Some Options

**beStorm**

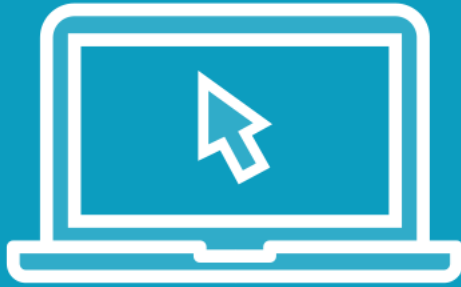

**Bullguard**

**IoTsploit**

**IoT Inspector**

# Demo

Nmap

Bitdefender BOX

# Attacks

---

# Some Attack Solutions

Firmalyzer

Firmware Analysis  
Toolkit (FAT)

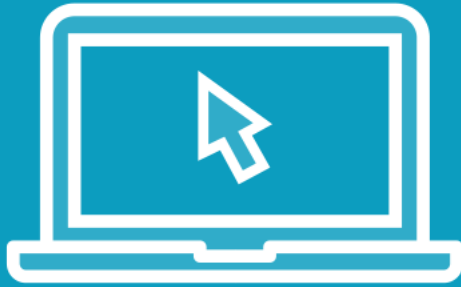

KillerBee

Firmware Mod Kit

IoTSeeker

Demo

IoT Seeker

# What We Talked About

**Demo: Reconnaissance**

**Demo: Looking for vulnerabilities**

**Attacks**
