

DOCKER

Docker Images Upload

Docker : Docker Images

- User must have the Account on hub.docker.com
- Docker Cloud uses Docker Hub as its native registry for storing both public and private repositories. Once you push your images to Docker Hub, they are available in Docker Cloud.
- Command to login:
`docker login`
- Push Image on Docker Hub:
`docker image push USER/Image-name`

Will see you in Next Lecture...

Thank you!

A close-up photograph of a hand holding a black marker, writing the words "Thank you!" in a cursive script on a white surface. The hand is positioned on the right side of the frame, with the fingers gripping the marker. The text is written in a dark, bold, cursive font. The background is plain white.

See you in next lecture ...
