You answered 3 out of 3 questions correctly

**1. Staging sites are physical locations used by the red team to provide a safe location near the target to setup.**

Staging sites are physical locations near the target that support the red teams to setup and prepare for the next step on the REDTEAMOPSEC methodology.

**2. Authorization Letters are necessary for Recon but not necessary for any other phase in the REDTEAMOPSEC Methodology.**

The use of Authorization Letters is necessary for the Recon phase as well as other stages in the REDTEAMOPSEC Methodology. This is especially notable when the team enters into the Offensive Strike phase and beyond.

**3. An ideal Rally Point is one that is a safe distance from the target and supports picking up the team quickly after an operation is completed.**

An ideal Rally Point is a physical location near the target that supports picking up the team quickly after an operation is done.
