The screenshot shows a web browser displaying the VMware Workstation Player product page. The browser's address bar shows the URL [vmware.com/products/workstation-player.html](https://www.vmware.com/products/workstation-player.html). Below the browser, the VMware logo is visible on the left, and navigation links for "Multi-Cloud", "App Platform", "Cloud & Edge Infrastructure", and "Any Wo" are on the right. The main content area features the heading "Local Virtual Machines" followed by "VMware Workstation Player" in a large font. Below this, a sub-heading reads "Easily run multiple operating systems as virtual machines on your Windows or Linux PC with VMware Workstation Player." A prominent blue button with the text "DOWNLOAD FOR FREE" is highlighted with a red rectangular border.
